

Westwood MLP Opportunities

High Conviction Active Management

Quality & Value

Team based, bottom-up fundamental strategy focused on identifying well run businesses with conservative balance sheets and strong distribution growth profiles.

Asymmetric Return Focus

We believe quality and value companies that are attractively priced offer limited downside over the long term. Strong emphasis on loss limitation by quantifying the absolute downside risk for every security throughout the process.

High Conviction

Differentiated investment performance focused on selecting "best ideas". Number of holdings typically ranges between 25-35.

Strategy | 1Q17

Objective: To generate high total return through current income and capital appreciation.

Strategy: Actively managed, utilizing a team based, fundamental bottom-up approach to identify high quality companies with undervalued earnings potential.

Disclosures

For Institutional Use Only. Past performance is not indicative of future results. For purposes of compliance with the Global Investment Performance Standards (GIPS®), the firm ("Westwood" or the "Firm") is defined as the assets of Westwood Management Corp. and Westwood International Advisors Inc. Westwood Management Corp. is an SEC registered investment adviser under the Investment Advisers Act of 1940 that provides investment supervisory services, managing equity and fixed income portfolios. Westwood International Advisors Inc. is a registered portfolio manager with the Ontario Securities Commission and the Autorité des marchés financiers in Quebec that provides investment supervisory services for global and emerging markets equity portfolios. Registration does not imply a certain level of skill or training. Westwood Management Corp. and Westwood International Advisors Inc. are wholly owned subsidiaries of Westwood Holdings Group, Inc. (NYSE: WHG). Policies for valuing portfolios, calculating performance, and preparing compliant presentations are available upon request, as is a complete list and description of the firm's composites, by contacting performance@westwoodgroup.com. Westwood claims compliance with the Global Investment Performance Standards (GIPS®).

The MLP Opportunities Composite includes all taxable and tax-exempt, fee-paying fully discretionary accounts whose main objective is to invest in securities of Master Limited Partnerships (MLPs) and other asset classes and securities whose characteristics are consistent with MLPs such as tankers, marine shipping companies and others. The MLP Opportunities strategy will not invest more than 4% in any security at cost and will tend to be less heavily weighted toward larger capitalization MLPs than the MLP Infrastructure Renewal strategy. The Alerian MLP Equal Weight Index is an equal-weighted version of the leading benchmark of MLP equities, the Alerian MLP Index (AMZ). The index has the same 50 constituents as the AMZ and rebalances them to a 2% weight each on a quarterly basis. The Alerian MLP Index is a composite of the 50 most prominent energy MLPs calculated by Standard & Poor's using a float-adjusted market capitalization methodology. The Alerian MLP is an unmanaged market index.

†"Top 10 Holdings(%)" represent the ten largest portfolio positions by market value in the representative account of the strategy as of the period end date. Each quarter, Westwood uses this same objective, non-performance based criteria to select the ten largest holdings. References to specific securities and their characteristics are examples of securities held in the portfolio and are not intended to be, and should not be interpreted as, an offer, solicitation or recommendation to purchase or sell any securities mentioned.

All information provided in this presentation is for informational purposes only and is not intended to be, and should not be interpreted as, an offer, solicitation, or recommendation to buy or sell or otherwise invest in any of the securities/sectors/countries that may be mentioned. The chart herein shows sector weightings for the representative account as of the period end date. The representative account was selected by the firm as it was deemed to best represent this strategy. Sector weights and holdings may vary from account to account, subject to any client-imposed restrictions. Westwood's analysts closely monitor the securities held in our portfolios. Should a company's underlying fundamentals or valuation measures change, Westwood may re-evaluate its position and may sell part or all of its positions.
